

TIBETAN PUBLIC SCHOOL

General Instructions

Dear Parents,

Please help your child revise the topics taught in class and develop good habits at home during winter break.

Kindly follow the guidelines and ensure regular practice.

Life Skill Practice

Help your child become independent by practicing the following every day:

- Pencil sharpening: Teach them how to sharpen their pencils safely and keep them ready for class.
- Opening and closing lunch box: Make sure they can open and close their tiffin box without help.
- Tying shoelaces: Encourage them to practice tying laces step by step.
- Packing school bag: Let them arrange their bag neatly with required books and stationery.
- Limit screen time and encourage creative play.

For Assignment

- Daily reading practice – 1-2 pages from every book.
- Daily oral drill of Tables and practice in Maths.
- Sit with your child while studying to guide and correct them gently.
- Encourage neat handwriting and maintain assignment copy properly as it carries marks.

Wishing you a joyful and safe winter break!
